ALWAYS NEEDED!

RECOVERY FOR CALEB MINISTRY DIRECTOR IN NIGERIA

Chibuzor Eze is director of Caleb Ministries West Africa. He is better known by Americans for his rescue work of victims of Boko Haran attacks in West Africa. His team visits the battlefields after an attack, offering medical aid, food, clothing and replacement to safe location to all who have been injured, no matter what their belief. In upper left is picture from a May crusade conducted by Chibuzor. He is probably the most productive Minister we have in our affiliates overseas. He recently, he was attacked, robbed and stabbed while on an errand for Caleb USA. Presently, he is recovering in Nigerian hospital from partial paralysis on his left side. We pray for his immediate recovery!

**CALEB ROMANIANS
HELP
UKRAINIAN REFUGEES**

Estimates are that nearly a million Ukrainians have fled across the border to escape the devastation of the Russian invasion. The northwest border of Ukraine is near the developed area of Poland with train and highway routes to the west. But the southwest border along side Romania is farm lands and agriculture on both sides with few routes to the west, Moldova is not a desirable escape choice for Ukrainian Christians as it was carved out from Romania and given to USSR at the end of World War II and is mostly aligned until recently with Russia.

As the war approached, the Caleb Ministry Romanian headquarters in Braila, just 58 kilometers from Ukraine, prepared ways to greet and assist the Ukrainian refugees. They set up stations at the border stocked with Chorba (stew), freshly made bread loaves, blankets and other supplies. Maps were printed showing Charismatic churches open to helping, across Europe. Homes were opened to receive guests.

One such family spent their first night at Marian and Christinas' home where the mother birthed her child in the Romanian family home of nine children and three adults. The next morning, her husband died and that second night a funeral was conducted for the man officiated by Marian in their home! Since then, the mother and infant have stayed as guests while she mourns her husband, family left behind, and loss of Country and all belongings.

FOOD ITEMS NEEDED

With the addition of the buddy boxes shipped free for us by Atlas Shipping, we have the privilege of providing food items to people in the more remote mountain villages. Because of donations of sacks of white rice, beans, tea, and canned meats, we are complementing the other goods and giving pastors the opportunity to help the more needy families within their small churches. We use about 60 clean coffee tins each month in repackaging these items. Food banks recently have supplied their surplus resources to us including beans, and peas.canned fruits and other items.

CALEB NEWS: The pandemic of the last two years has had an impact on our ministry. Whereas we use to ship to Romania, Bulgaria, and Hungary for \$1.10/pound, and to The Phillipines for \$172/6 cubic feet boxes, and by “M”bags to Africa through the Post Office , as half our productivity, Only Atlas shipping to The Phillipines for \$80 dollars per box and buddy boxes remains for us today. The balance of Caleb Ministry is now devoted to encouragement and sounding board for Caleb affiliates world wide, processing new applicants, internet teachings and pod casts to Kenya, Nigeria and Romania weekly, , medical emergencies, and purchase of food supplies for orphanages in Kenya, Nigerisa , India and The Phillipines. Over \$20,000.00 of Caleb funds has been used the last 12 months, while we have continued to ship monthly relief boxes and household goods averaging 90 boxes each month, to The Phillipines.

DIRECTORS LETTER

The Caleb Family appears to be moving on to newer and better service each passing day. Unlike most ministries, Caleb Donations are similar in amount and source each year since 2010. The work with affiliates worldwide through internet teachings, forums, and discussion groups have vastly improved as we highlight forms of missions being invoked each six months, as required of our affiliates. Ministry to street people, bringing in orphans, visiting prisoners, and rebuilding villages vandalized by terrorism attacks. Financial help sent by Romanian affiliates to aid the work in Nigeria from Boko Haran attacks shows a maturity in Christ that blesses me. Another local church in Seattle has just asked if they can contribute Christian books and good clothes for our ministry overseas. Responses to needs expressed by affiliates gives great comfort that we are doing good service to Christians well beyond what we expected thirty-two years ago. Jesus is Alive and Well. Thank you all for your prayers, support and help!
